### 3. Essays

- a. Please submit an essay on the following topic. This essay is **compulsory** and should contain 250 to 300 words.

***If selected for the scholarship, you will also be a Student Ambassador for PMC.***

Describe how you could make an impact on the community and on PMC as a holder of the scholarship.

- b. Please select **one (1) only** of the following topics to write on. Your essay should be between 250 to 300 words.

- (i) **Describe what you consider to be your country's main health problem and how, as a doctor, you would help to alleviate this problem**

This question requires you to research health problems in your country and choose what you consider to be the main problem. You should then describe the problem and provide holistic solutions that you, as a doctor, would use in dealing with the problem.

**OR**

- (ii) **Describe the main ethical problems faced by doctors in the modern world and your proposed solutions to these**

This question requires you to research ethical problems faced by doctors and describe what you consider to be the main problems. You should then provide a description of how you would deal with these problems in your capacity as a doctor.

### 4. Reference Letter

Please provide a letter from someone who has worked closely with you and who would be able to support you as being a worthy recipient of the scholarship. This person will not be the same as the general academic referee. The letter may be from, for example, the school principal, a relevant senior volunteer or a community leader.

### 5. Submission

Completed form and attachments should be submitted via e-mail or click on e-mail below to submit electronically.
