(800 words or less)

Please complete a statement outlining how you meet the criteria of the award and how the scholarship will help you achieve your future goals.

(If applying for a Talent Scholarship your personal statement should detail a committed approach to education and self-development and circumstances of financial hardship that could make it difficult for you to take up a place to study without this support)

The personal statement must be written in English.

Terms and Conditions

These scholarships are available to applicants who will be registered as new undergraduate students or at the University of Glasgow.

Applicants must have an offer of a place for the next admission intake in order to be considered and will be expected to meet all the conditions of their academic offer in time to register at the University of Glasgow.

Scholarships are awarded for a set period of study as stated in the award communication. Scholarships cannot be extended.

Award of scholarship is conditional upon the status for fee-paying purposes being correctly determined by the Admissions team. Scholars whose status is pending or has changed must notify the scholarship team immediately.

Scholarships are supplementary to a scholar's main source of income.

Scholars may be requested to participate in current and future promotional activities and as such may be interviewed and photographed by our marketing team. Scholars may also be asked to contribute occasionally to the promotion of the University of Glasgow during events organised by the Marketing, Recruitment and International Office. Scholars agree no payment will be made by the University to the scholars for their participation in promotional activities.

If scholars are awarded a 'named' Talent Award (i.e. the funding for which has been provided to the University by a donor), in accepting the award, scholars agree to write to the donor(s) to provide a progress report on their studies on an annual basis when requested to do so.

To support the University's work to increase the Scholarship Fund further, scholars agree they will provide feedback about how the Talent Scholarship has been of assistance to them when requested.

The decision of the scholarship selection committee is final.
